Online submissions through www.withoutabox.com also offer animator discounts.

Instructions:

Please read the rules before filling out entry form. Mail completed entry form to us with your entry fee. ALL animation films must be in the time range of 30 seconds to 30 minutes. Animation only. No live-action. Multimedia pieces containing live-action elements may be considered, but works should be primarily animated.

You may submit more than one film, but please submit a separate entry for each film you submit. If sending two or more animations, you may write one total check or money order for all films.

Our submission preference is Mini-DV NTSC or an NTSC Quicktime burnt onto a CD or DVD. Preferred Quicktime formats are: H.264 Compression, Animation Compression or DV-NTSC. Preferred frame rate is 29.97.

We cannot play PAL media. Please do not send anything in PAL. DVD's that play universally (all regions) are fine as well, but NTSC works best for us. You may also submit your entry on NTSC VHS, but take note of our preferred submission.

Please be sure to label submission with film title and animator contact information. If submitting more than one short, you must fill out a separate entry form for that film and pay an additional submission fee.

Do not send us your only copy of your animation. Any materials you send us will not be returned.
